

FOR SPONSOR USE ONLY

**Child Nutrition Program Benefits
INCOME ELIGIBILITY GUIDELINES**

July 1, 2024 through June 30, 2025

IMPORTANT: If the household reports the same frequency for each source of income, total the income and refer to the column for the applicable income frequency. If the household reports multiple income frequencies, annualize all income using the following conversion factors, total the income and refer to the “Annual” column.

Annual Income Conversion Factors: Monthly x 12 Twice Per Month x 24 Bi-Weekly x 26 Weekly x 52

To receive Child Nutrition Program benefits, a household must have gross income that does not exceed the amount shown for each income frequency.
