# KN-CLAIM Quick Reference for Summer Food Service Program (SFSP) Initiation or Renewal

## What is KN-CLAIM?

It is the Child Nutrition & Wellness web-based computer system. The acronym stands for **Kansas Nutrition – CLaims And Information Management**.

KN-CLAIM will also be used for logging audit and review findings, and for monitoring corrective action. This information will enable KSDE to track trends and target training and technical assistance efforts where they are most needed.

## Important Dates

- KN-CLAIM is available for entry of SFSP initiation or renewal information by **March 31, 2022**.
- All Sponsor and Site applications must be submitted and pending approval by close of business on **May 2, 2022**.

## Help is Available!

We have done our best to assure that KN-CLAIM works correctly and is easy to use. However, there is always room for improvement. Please let us know if you encounter any problems or need assistance with using the system.

---

**Do you need help using KN-CLAIM or have a system problem to report?**
