Mountain Plains Crunch Off – Wednesday, October 16
Kansas Department of Education, Child Nutrition & Wellness is joining schools, preschools, nonprofits and local food enthusiasts in celebrating Farm to Plate Month by competing in a nine-State Crunch Off competition! Kansas is competing against other states in the Mountain Plains region, which consists of Colorado, Missouri, Montana, Nebraska, North Dakota, South Dakota, Utah and Wyoming. The state that has the most crunches into local apples or produce per capita will be crowned the Mountain Plains Region Crunch Champion. Join us on Wednesday, October 16 by crunching on a fresh apple. Register your team to participate in the Crunch Off at https://www.surveymonkey.com/r/K8GHSSN. Each group that registers will get a link to a toolkit with books, recipes, and outreach ideas. This Crunch event encourages healthy eating, supports local agriculture and helps students and community members gain a deeper understanding of the food system. Help Kansas win the Crunch crown by joining our Crunch event!
