

CEP DECISION TREE

1. CALCULATE IDENTIFIED STUDENT PERCENTAGE (ISP)

$$ISP = \frac{\# \text{ students qualified for free meal via non-income method}}{\# \text{ students with access to at least one meal}}$$

3. ESTIMATE REIMBURSEMENT
 Use the CEP calculator to compare traditional and CEP claiming:
<https://cnw.ksde.org>, SNP, SNP Food Service Facts, Chapter 18, Related Forms
 Be sure to consider any increase in participation due to meals at no charge.
