Child Nutrition & Wellness Website

The KSDE Child Nutrition & Wellness website provides guidance, policies, and current information. All forms in *Food Service Facts* are available on the website in Adobe PDF and/or Microsoft format (i.e. Word or Excel).

Additionally, the KSDE Child Nutrition & Wellness website is used to access **KN-CLAIM**, (**K**ansas **N**utrition – **CL**aims **A**nd **I**nformation **M**anagement), the Internet system for filing and paying reimbursement claims.

<https://cnw.ksde.org>

The **Kansas State Department of Education** (KSDE) website provides access to information about all sections of the agency. The School Finance Team's section of the KSDE website includes reports about meals prices and eligibility for reduced price and free meals in Kansas schools.
