### Electronic Forms

All forms that require entry of variable information are available in KN-CLAIM under the Checklist tab as Microsoft Word documents. Using these documents will eliminate the need to use a typewriter or re-key the forms. Print all letters on Sponsor letterhead. Forms/records other than those provided by KSDE, must be reviewed, and approved by KSDE **prior** to use. Alternate forms may be submitted by uploading to the Checklist Tab in KN-CLAIM for approval at times other than during the annual program renewal process.

### Sponsors Serving Summer Meals through Seamless Summer Option (SSO) in July and/or August

Sponsors that are serving summer meals through the Seamless Summer Option in July and/or August **must complete and be approved for SY 2024-25 operations PRIOR to July 1**. While completing program renewal, Sponsors operating SSO in July and/or August must indicate "Seamless Summer Option Only" within the Summer Meals section of each site application that SSO summer meals will be served. Select and enter the Site Qualification information that reflects how the site qualifies to serve summer meals. Indicate the days in which meals will be served for July and/or August in the Operating Schedule table. Designate the days of operation and complete the meal service table specific for summer meal distribution. For rural sites, indicate if meals will be served non-congregate, congregate or both.

### New Sites

If you need to add a new site that will serve lunch, breakfast, after school snacks or Special Milk, complete a Site Application found at [cnw.ksde.org](http://cnw.ksde.org), SNP, Program Initiation/Renewal, Site Application and scan and email to Emily Bonilla at [ebonilla@ksde.org](mailto:ebonilla@ksde.org) with a cc to your area Child Nutrition Consultant.

### Unpaid Meal Charge Policy

Upload current Unpaid Meal Charge Policy on the Checklist Tab. Board Minutes do not need to be uploaded on the Checklist Tab unless the Unpaid Meal Charge Policy has been revised for SY 2024-25.

### Paid Lunch Equity (PLE) Tool

The PLE tool is integrated into KN-CLAIM with information pulling from prior years to assist completion of the tool. Complete the PLE information under the Applications Tab directly under the Sponsor Application. Once the Sponsor Application is saved the first time, a "+" will appear and you can click on that to complete the PLE information using the Sponsor Site Application Quick Reference as a guide.

### **Adult Meal Price**

The price charged for adult meals must be sufficient to cover the overall cost of the meal, including the value of cash-in-lieu of commodities. If cost data is not available, the sponsor should set the adult meal charge at least equal to the highest paid student price plus paid reimbursement. In non-pricing programs (District Wide Community Eligibility Provision (CEP) and RCCIs) the adult charge must be at least equal to the free reimbursement rate.

### **Maximum Charges for Reduced Price Meals/Snack/Paid Special Milk**

Maximum charge to students for Paid Special Milk is 15¢, Reduced Price Lunch is 40¢, Reduced Price Breakfast is 30¢ and Reduced Price Snack is 15¢.

### **Distributing Applications & Determining Student Eligibility**

Sponsors cannot distribute or begin accepting and processing applications before the beginning of the federally-defined school year which is July 1, 2024.

### **Non-English Language Versions**

USDA has translated the Household Application Packet for Free and Reduced Price School Meals into a total of 49 languages including Spanish that are available at: <http://www.fns.usda.gov/cn/translated-applications>. KSDE provides a Spanish translation on the Checklist Tab in KN-CLAIM.

### **Income Eligibility Guidelines**

The Income Eligibility Guidelines (IEG) chart lists the reduced price and free income guidelines by household size for the period July 1, 2024 through June 30, 2025. This chart can be accessed on the Checklist Tab in KN-CLAIM and is for sponsor use only. It should be provided to each determining official. It should **NOT** be distributed to school patrons.

### **Guidance for Determining Officials**

The document, *Guidelines for Determining Eligibility for Child Nutrition Program Benefits*, is available at [cnw.ksde.org](http://cnw.ksde.org), SNP, Program Initiation/Renewal and should be provided to each determining official. For further information regarding determining eligibility, refer to *Food Service Facts*, Chapter 7, and the *USDA Eligibility Manual for School Meals (June 2017 edition)*.

**Important:** Determining Eligibility webinar training is scheduled for June 27 at 2:00 pm and July 25 at 9:00 am. To obtain webinar links go to [cnw.ksde.org](http://cnw.ksde.org), Training, CNW Calendar. The Determining Official should plan to attend one of these two training sessions.

### **Kansas Online Application for Free and Reduced-Price Meals**

Sponsors wishing to use KSDE Child Nutrition & Wellness' free Online Application for Free and Reduced Price meals are not required to complete the *Request to Use Electronic Transactions in the Child Nutrition Program*. Utilizing the Kansas Online Application for Free and Reduced-Price Meals tutorial will help sponsors understand how to create a sponsor specific link, utilize the online application, access and determine submitted applications, and save those applications correctly. Access the training at <https://learning.ksde.org/>, Child Nutrition & Wellness, Tutorials, School Nutrition Programs (SNP) tutorials. The Kansas Online Application for Free and Reduced Price Meals takes the place of KSDE's Excel Application for CNP Benefits. Elect use of the Kansas Online Application for Free and Reduced Price Meals on the Forms Tab in KN-CLAIM.

### **Reimbursement Rates**

You will be advised by email when reimbursement rates for July 1, 2024 through June 30, 2025 are posted on our website. Rates are normally not available from USDA until mid-July.

### **SY 2024-2025 SNP Administrative Update**

At least one representative from each Sponsor is required to attend Administrative Update annually; however, it is strongly encouraged for anyone with administrative duties to participate. Separate webinars will be held for Determining Eligibility, Verification, and to train food service professionals in identification of a reimbursable meal. The schedule with dates, times, and webinar links is available at [cnw.ksde.org](http://cnw.ksde.org), Training, CNW Calendar.

### **Procurement Plan and Written Standards of Conduct**

All Sponsors administrating Child Nutrition Programs must develop and follow a procurement plan and have Written Standards of Conduct. During annual Program Renewal, sponsors are required to upload the plan and standards of conduct which will be reviewed by KSDE prior to program approval. A procurement plan and written standards of conduct are valuable in that they clarify the purchasing practices of the Sponsor and can guide employees to use the appropriate method of purchasing for each category of items. **The Procurement Plan and Written Standard of Conduct Prototypes are available on the Checklist Tab in KN-CLAIM.**

### **Request to Use Online Application for Child Nutrition Program Benefits**

Any sponsor wishing to use an online free and reduced application must complete and submit to KSDE the *Request to Use Electronic Transactions in the Child Nutrition Program* (available for download on the Checklist Tab in KN-CLAIM) for review annually.

### **Direct Certification**

All sponsors are required to use the Direct Certification system to assure that all foster students, students eligible for Food Assistance (FA) or Temporary Assistance to Families (TAF) and some Medicaid benefits are approved to receive free or reduced school meals.

Important Note: Only students found on the Direct Certification list as eligible for free or reduced price meals due to Medicaid can be directly certified. A Medicaid number submitted by a household on a paper application cannot be used to certify students for free or reduced price meals because not all Medicaid programs meet Child Nutrition Program Income Eligibility Guidelines.

A complete list of all foster students and students eligible for Food Assistance or TAF or Medicaid will be available online by July 8. The Direct Certification System displays daily matches for public schools and all private schools who send student records to KSDE. KSDE will send an email notification when a new student is added to the Sponsor list. The new students added will be displayed at the top with the date matched. Free meal benefits begin when the sponsor sends the *Letter to Household about School Meal Benefits* or the "created date" if the Sponsor has requested flexibility for establishing effective date of eligibility on the Sponsor Application in KN-CLAIM.

Sponsors can begin directly certifying students as soon as the July list is available. Check the list frequently. Sponsors must send the *Notify Household about School Meal Benefits* to notify households that students in the household are directly certified for free meals in a timely manner so that the household does not take the time to submit an income application. The *KN-CLAIM Quick Reference for Direct Certification* is available in KN-CLAIM, Quick References,
