Fresh Fruit & Vegetable Program- Application Deadline Extended!

The application to apply to participate in the Fresh Fruit & Vegetable Program (FFVP) for school year 2021-22 is available at www.kn-eat.org, School Nutrition Programs, What's New. The FFVP provides all children in participating elementary schools with a variety of free fresh fruits and vegetables throughout the school year. It is an effective and creative way of introducing fresh fruits and vegetables as healthy snack options. Participation in the FFVP is limited to elementary schools, with priority given to schools with the highest percentage of students eligible for reduced price or free school meals. To apply for the FFVP, complete the application and return it to KSDE no later than June 11, 2021. Schools selected to participate will be notified in July 2021. Participating schools will be reimbursed for their documented expenses on a monthly basis. If you have any questions, please contact Meg Boggs at 785-296-2276 or mboggs@ksde.org.

Passion Overcomes Pandemic Challenges
Kansas Sponsors of Child Nutrition Programs have had to shift and pivot operations in response to the COVID-19 pandemic. When the pandemic started, you scrambled, worked harder, longer days, shifted duties, locations, environments and more to and make sure children had access to healthy meals. Many of you have not taken any time off since the pandemic started in March 2020, serving meals through every holiday and break that you normally have off and even on weekends. Despite the unprecedented challenges the pandemic has thrown your way, you have continued to be passionate about the importance of providing access to healthy meals to Kansas kids and #FuelingKSKids for success. Heartfelt thanks to all who will continue to deliver child nutrition programs this summer!

With gratitude and appreciation to each of you,

Cheryl, Jill and Julie
